The Opera Academy of California brings promising emerging singers from all over the United States to San Francisco for a 6-week intensive summer program that focuses on perfecting performance techniques. Students are trained and instructed by a distinguished local and national faculty, and receive Master Class coaching from opera greats. Please see our website for more information about us and our programs. The Opera Academy of California is a non-profit IRS 501(c)3 corporation. (415) 642-0176
